# For Dogs *and their owners!*

Dogs were born for activity, so many behavior problems are caused by a lack of physical and mental activity. Our dog park products provide opportunities to exercise their minds and bodies by catering to dogs of all abilities and confidence levels. Enhancing your dog park with our products will make every day a paw-tay!

# We Use Quality dog park materials

At Superior, we only use quality materials for your dog park — whether purchasing just a **bench** or a **full dog park package**. **Our dog park products are proudly made in the USA.** Our products are built to last and provide fun for years to come.

1

## **We offer the look and feel of wood without the unwanted maintenance.**

Our recycled posts and decks look just like wood without the wanted maintenance. These reinforced posts and decks are vandal resistant, protected from rotting or splitting, and have UV additives to protect them from fading. Additionally, this material is resistant to termites, salt spray, and the like.

2

## **Our rotationally-molded plastics have anti-static inhibitors.**

Our rotationally-molded plastics, such as those used for tubes and roofs, are made of  $\frac{3}{8}$ " thick low density polyethylene (LDPE). They are UV stabilized for reduced fading and also contain anti-static inhibitors.

3

## **Our Superdurable powder coat leaves your equipment protected.**

Our steel accents are coated with 3 mils of zinc-rich primer and 3 mils of Superdurable powder coat. These 6 mils protect your product from sun discoloration and salt (in coastal regions).

4

## **Our textured HDPE panels are strong and UV stabilized.**

Our  $\frac{3}{4}$ " thick textured high density polyethylene is used for our panel accents, such as on our Dog Log. With UV stabilization, we ensure your carefully selected color will remain bright and colorful for years to come. These panels are stain- and graffiti-resistant and will not splinter or crack.

5

## **Our shades block harmful UV rays.**

Our shade fabric blocks 91%–99% of harmful UV rays, depending upon the color you've chosen. Our fabric is also flame retardant, with some of our color choices being California Fire Marshal certified.

6

## **We offer stainless steel hardware, so you won't worry about rust.**

99% percent of the hardware we use on our dog play equipment is stainless steel, with less than 1% being corrosion-resistant coated steel. Our hardware is packaged individually and labeled, allowing for more efficient installation.

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime\* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 10-Year Limited Warranty on Shade Fabric
- 5-Year limited Warranty on Site Amenities, cables, and nets
- 1-Year Limited warranty on moving parts and materials not covered above

The Limited Warranty excludes abnormal conditions, contingent liability, cosmetic defects such as scratches, dents, marring, stripping, peeling, or fading; damage due to incorrect installation, vandalism, misuse, accident wear and tear from normal use; exposure to extreme weather, immersion in salt or chlorine water, damage due to sand, salt spray, or other abrasive and corrosive material; unauthorized repair or modification, abnormal use, or lack of maintenance. The warranty does not cover damages due to "acts of God" such as hail, flooding, lightning, tornadoes, sand storms, shifts of terrain, earthquakes, mudslides, and windstorms.

If product has shade fabric and installed in an area exposed to hurricanes, removal of the shade fabric is required when a hurricane warning is issued. In the unlikely event of failure, SRP reserves the right to alter the design, color, or contributing factors to rectify the condition and help prevent any future reoccurrence(s). SRP has the option to repair or replace any defect in materials. The warranty is void if any changes, modifications, additions, or attachments are made to the product without the written consent of the manufacturer.

SRP excludes any implied warranty of merchantability, fitness, or purpose, and there are no warranties which extend beyond the description of the face hereof. Under no circumstances will SRP be responsible for any indirect, special, consequential, incidental, or liquidated damages due to breach of warranty and such damages are specifically excluded from the warranty. The owner shall notify SRP with original Sales Order Number issued from SRP to arrange for an inspection within 30 days after discovery of any defect under this warranty and before any alteration or repair is made or attempted. This Limited Warranty shall be null and void if the owner makes any alterations in design.

This warranty is the only express warranty given by the company. No person has authority to change or add to these obligations and liabilities. The company reserves the right to determine whether the fault is caused by faulty workmanship, material, or the part that is defective.

**Powder Coat:** Superior Recreational Products offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

- The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.
- The coatings shall retain their original color with a  $\Delta E$  of  $<7.5$  units for high chroma colors, (Yellows, Reds, Oranges, ETC.) and a  $\Delta E$  of  $<5.0$  units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

**Pricing, Cancellation, Return, and Shipping Policy:** All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. *\*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor*
