• 21ST EDITION *Superior Recreational Products* BUYER'S GUIDE •

HILL FARMS, INC.

Why Choose Superior Shelter?

Superior Shelter, Superior Recreational Products' industry-leading shelter line, has been solving design challenges from landscape architects and freelance designers for over 50 years. Our state-of-the-art precision manufacturing facility, with its high definition plasma cutting abilities and the industry's best powder coating line, allows our shelters, gazebos, pergolas, kiosks, and mini shelters to become architectural icons within your community.

OUR TOP FEATURES AND BENEFITS

MADE IN THE USA

Our shelters are designed, engineered, and manufactured in our west Georgia manufacturing facility.

FAST ENGINEERING TIME

With our pre-engineered shelters, we have one of the fastest engineering times in the industry.

NO EXPOSED CONNECTION

Our all-steel designs feature hidden connections, allowing our shelters to have a clean look and greater visual appeal.

ALL SEASONS

Our framework is engineered to withstand high winds and heavy snow loads.

BUILDING CODE

We offer sealed drawings to ensure your shelter structure meets local building codes.

SUPERDURABLE

Our Superdurable powder coat is paired with zinc-rich primer — a standard at Superior.

Need another reason to buy?

Our value line, a selection of our most popular designs, is great for schools, parks, and other locations where price point is an important purchasing factor. These competitively priced shelters are pre-engineered and include a faster lead time.

Shelter Applications

Because shelters are one of the most versatile structures, our portfolio of projects is quite vast. From bus stops, picnic shelters, and wedding gazebos, we provide shaded, architectural solutions for many markets, locations, and applications.

PARKS, RECREATION, & SPORT FACILITIES

From covering bleachers and dugouts to the perfect picnic pavilion, we've done it.

HOUSING DEVELOPMENT & PROPERTY MANAGEMENT

Developers, homeowners associations, and apartment complex owners turn to us to create shaded spaces for their community to enjoy.

BUSINESSES & OFFICE PARKS

You can find our shelters, gazebos, and trellises utilized in common space areas, wedding venues, and as entryway shelters.

SCHOOLS & UNIVERSITIES

From pre-k to college graduation, we're shading outdoor classroom areas to university sport field dugouts.

Limited Warranty & Terms and Conditions

Limited Warranty: Product

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- 10-Year Limited Warranty on Shelter structures, Shade fabric, and powder coat
- 1-Year Limited warranty on moving parts and materials not covered above

The Limited Warranty excludes abnormal conditions, contingent liability, cosmetic defects such as scratches, dents, marring, stripping, peeling, or fading; damage due to incorrect installation, vandalism, misuse, accident wear and tear from normal use; exposure to extreme weather, immersion in salt or chlorine water, damage due to sand, salt spray, or other abrasive and corrosive material; unauthorized repair or modification, abnormal use, or lack of maintenance. The warranty does not cover damages due to "acts of God" such as hail, flooding, lightning, tornadoes, sand storms, shifts of terrain, earthquakes, mudslides, and windstorms.

SRP does not warrant product for defects caused by erection, harsh site conditions, lack of maintenance, and/or other conditions beyond SRP's control. SRP will not be held responsible for any materials that were not properly stored prior to installation. SRP reserves the right to void the limited warranty if it is not installed per the installation instructions and/or unauthorized modifications.

In the unlikely event of failure, SRP reserves the right to alter the design, color, or contributing factors to rectify the condition and help prevent any future recurrence(s). SRP has the option to repair or replace any defect in materials.

The warranty is void if any changes, modifications, additions, or attachments are made to the product without the written consent of the manufacturer.

No signs, objects, ornaments, fans, lights, fixtures, or decorations may be hung from the structure unless specifically designed and engineered by the manufacturer or has manufacturer's written approval.

SRP excludes any implied warranty of merchantability, fitness, or purpose, and there are no warranties which extend beyond the description of the face hereof. Under no circumstances will SRP be responsible for any indirect, special, consequential, incidental, or liquidated damages due to breach of warranty and such damages are specifically excluded from the warranty.

The owner shall notify SRP with original Sales Order Number issued from SRP to arrange for an inspection within 30 days after discovery of any defect under this warranty and before any alteration or repair is made or attempted. This Limited Warranty shall be null and void if the owner makes any alterations in design.

This warranty is the only express warranty given by the company. No person has authority to change or add to these obligations and liabilities. The company reserves the right to determine whether the fault is caused by faulty workmanship, material, or the part that is defective.

SRP will repair or replace at its discretion any defective part/s on an Ex-Works basis only. It is the responsibility of the customer to return the whole unit or the defective part/s at their own cost back to SRP for inspection along with proof of the date of purchase. SRP will not be liable for any costs incurred by the customer as a result of replacing

the defective part/s, including but not limited to the costs of site visits and the labor costs involved with the removal and reinstallation of the whole unit or the defective part/s. Furthermore SRP will not be liable for any claimed compensation while the unit is not working or not present at the site whatsoever. This guarantee does not entitle the customer to a complete new product due to a defective component.

Limited Warranty: Structural Steel

SRP offers a 10-year Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, SRP will manufacture and ship new replacement parts at no charge for the first six years, thereafter pro-rated at 18% per annum over the last four years.

Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Limited Warranty: Powder Coat

Superior Recreational Products offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of <5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Pricing Policy

"For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number."
