Why Choose Efficient Amenities?

# Complete Turn-Key Project Providers

The drive of our company has been unprecedented customer service. We guarantee that you will receive the highest quality care from your consultation through the end to installation and maintenance.

### Top Design Support

Whether you're a property manager, child care director, pool operator, or any in between, we can provide the best to match your recreational needs.

### Full-Time Installation Teams

Our team of trained and certified installers is available full time to bring your vision to reality; regardless of your location.

### Experienced Consultants

Our elite team of consultants have over 36 years' experience in the recreational equipment field. Every quote for equipment includes a free design package and estimate.

### Maintenance Program

The majority of our installations qualify for a maintenance program; which keeps your investment in high quality conditions for years to come.

### Turn-Key Supplier

We offer over 4,000 amenities to enhance your recreational interests. From water slides and canopies, to safety surfacing and dog parks, we can provide and customize the ideal environment for you.

### Production Partnerships

We select our manufacturing partners based on their high quality, innovation, and customer support. Conveniently, most of our manufacturers are located within one mile of our warehouse and office.

# Commercial Playgrounds

**Make your playground extraordinary. Our design consultants can help!**

Efficient Amenities takes pride in not only our strong team of "playground people", but in the materials and standards that we use as the base for our recreational structures. Our products abide by IPEMA safety standards and are created with superb engineering components. If you are looking for a high quality recreational piece with high "play value", our company is the ideal choice from creation to installation. In addition to the highest safety standards, our equipment comes in

a collection of designs and colors, making your site fully customizable.

**Commercial playground equipment:**

- Structures, swings, spinners, rockers and more
- Toddler structures and mazes that promote social interaction and challenge
- Decks, climbers, bridges, crawl tubes, and overhead climbers

Turn for NEW music options!

**New!**

**Audionetic** \$2,640.63

**Great games that stimulate exercise and collaboration!** By pumping the foot pedal children generate energy. Powered up? Press the push button and a selection of games will follow. stories, games, riddles, jokes, biblical stories or fables...OR, you can add hours of your own content – up to 12GB! Ask us how!

**Music/StoryBall** \$2,727.68

The MusicBall will make you want to dance and sing, so it's a cheerful way for children to develop! **After you turn the crank, the Music Ball will play well-known Children's songs or up to 12GB of your own content** so everyone can sing along.

**KineticWheel** \$2,756.70

Spin the wheel and energize the KineticWheel. You will (randomly) hear an audio clip full of experience. All three of the steering wheel variants come with a USB stick with their own sound! **Always wanted to be a pilot? Sail the seas like a pirate? Experience the feeling of a driver in the cockpit? It's all possible!**

**New!**

**DJ Post** \$3,191.96

Turn the disc, keep turning! This generates energy. **Put your phone on loudspeaker and put it under the hut. The DJ Post amplifies the sound from your Smartphone!** No Bluetooth, no cables! The built-in tech picks up the sound of your Smartphone automatically.

**Game Netic** \$3,191.96

**Use your foot to pump the pedal, generate energy for the GAMES to begin!** This game console is provided with 4 interactive games. Test your speed, memory, counting skills and reaction ability.

**Jump Stone** \$2,756.70

By jumping, you will generate energy and a randomly selected song will play. **You have to keep jumping in order to let the audio continue.** Very intense, but luckily you have time to swap with someone to keep the songs going.

**ConnectIT (Walky Talky Set)** \$4,062.50

**Generate electricity by turning the hand crank. Press the button and start chatting.** Connect-IT is like a walkie-talkie that can broadcast up to 1 mile away. You and your partners just crank the handle and speak into the microphone.

**AudioZone** \$7,544.64

**Turn the crank and energize the AudioZone.** Now you can play the game using the sidekicks. Do you know the right answer? Then sprint to the illuminated sidekick and kick it. Using your hands, feet, with a ball or whatever you come up with.

**Rockers**

**Surf Rider**

# Shelter Structures

**Picnic shelters and event pavilions that turn heads.**

Shelters aren't just stylish ways to relax and stay protected from the array of elements; they have the ability to generate revenue for your community. Unlock this potential with our many options by renting out these top notch structures for birthday, graduation, and every day celebrations. Our collection of pavilions and shelters are perfect for environments ranging from parks and schools, to zoos and amusement parks. Whether

you are in need of a garden gazebo, or customized event shelter, we offer the best in the industry. We are passionate about turning your one of a kind ideas into the spark of your community. Your visitors and community members will be thrilled with the comfort and design of our commercial outdoor gazebos, pergolas and shelters. We work with architects and landscapers on all project sizes. Each project is given specialized attention and materials that can withstand practically any harsh condition!

# Shade Structures

Enjoy durable and iconic shade designs that go the distance.

With the ever changing weather conditions and an increased awareness in the harm of UV rays, providing protection from the elements has become a top priority in recreational design. Our team of experts work hard to create a safe haven from weather conditions while maintaining a stylish outlook. We can provide protection within and around schools, hotels, pools, stadiums,

rooftops, docks and anything in between. You are guaranteed a professional design that is customized to your environment and specific needs, while maintaining a sleek style and look that will appeal to your community. The dedicated team assigned to your project partners excellent service and product in a quick time frame; all while maintaining the highest standard of professionalism.

# Safety Surfacing

**Don't forget to finish your space with the perfect landing.**

We provide numerous combinations of safety surfaces for your indoor and outdoor spaces. These surfaces are the perfect addition to your parks or even pools; creating the safest and most durable materials for your specialized project. Your options range from artificial turf and poured rubber, to loose fill rubber and

hardwood mulch. These surfaces are also maintained by our knowledgeable team, allowing maximum use of your covering. We will be with you every step of the way, offering our recommendations and years of experience for years to come.

**Synthetic Grass**

ADA accessible, reduced maintenance costs, and meets ASTM, CPSC, and CSA standards. This synthetic yet life-like grass-alternative is a durable option for many recreation environments.

**IDEAL APPLICATIONS:**

Playgrounds, Indoor Playgrounds, Dog Parks, Splash Pads, Fitness Trails, Recreation Fields

**EPDM Rubber**

Base (impact) layer comprised of black, 100% post-consumer recycled rubber (SBR). Cap (wear) layer made of 1/2" coloured EPDM. An industry leader in amount of urethane binder in both layers.

**IDEAL APPLICATIONS:**

Playgrounds, Indoor Playgrounds, Splash Pads, Fitness Trails

**Bonded Rubber**

Colored 100% post-consumer recycled rubber (SBR). Time and money-saver. Drains quickly and designed to be resistant to daily thermal expansion/contraction.

**IDEAL APPLICATIONS:**

Playgrounds, Landscaping, Fitness Course, Walking Trails

**Aquatic**

High traction soft rubber polymer tile flooring. Highly shock absorbing, stain resistant and durable. Large array of colors, waterjet patterns, and textures, bring aquatic environments to life.

**IDEAL APPLICATIONS:**

Indoor and Outdoor Pools, Splash Pads, Residential, Hospitality, Fitness, Parks

**Playground Surfacing Patch Kits**

- Easy application
- All-in-one kit
- No mixing equipment required
- Cover up to 6 square feet
- Repairs punctures, holes, cracks, due to vandalism and excessive use.

**IDEAL APPLICATIONS:**

Playgrounds, Indoor Playgrounds, Splash Pads, Fitness and Walking Trails

**Grassmats**

Covering 5' x 3.3' and made from 30% recycled rubber, Grassmats offer the ultimate in multipurpose matting.

**IDEAL APPLICATIONS:**

Playgrounds, Dog Parks, Fitness and Walking Trails, Recreation Fields, Landscaping, Special Events, Multi-purpose flooring

**After Sale Service Information**

Understand that you'll have access to service, parts, warranty, and customer support through not just our office administrators, but also our manufacturing partners. We are conveniently located within one mile from several of our manufacturers for playground equipment, shade structures and umbrellas, shelter and pavilions, water slides and splash pads, indoor playground equipment, and site amenities.

Your equipment is warranted for both installation, as well as a manufacturer's warranty. You will need to have service, replacement hardware, or maintenance at some point during the lifetime of your product. You'll want a dealer that's geographically tied to your manufacturer to deliver the replacement parts. Most of your hardware is vandal resistant, and not easy to be found locally.

**Pricing Policy**

All prices listed in this catalog are FOB factory and do not include freight, shipping and handling, or taxes. All prices are current as of spring 2016 in USD. All prices are subject to change without notice.
